

2023 Show Featured Vendor Directory Application

We have updated the Santa's Art Shop website to include a Directory of Vendors. This is an opportunity to alert our website visitors that you'll be an exhibitor with us for this year's show.

There is a special area where featured vendors are listed on "cards" with their names and the category of their offerings listed. When a visitor clicks on the vendor's name, they will be taken to the vendor's exclusive page where the vendor can tell a little about who they are and what they do. They can also include any of the following: mailing address, phone number, email address, website link, and social media links.

The vendor directory and pages will be featured on our website from September of this year to August of next year.

The benefit to vendors who participate with a listing in the directory is that in addition to being noticed prior to the event date, visitors to Santa's Art Shop can refer back to the directory after the show to find their favorite vendors, which opens the door to further potential sales... even months later!

You can check out the existing directory at: SantasArtShop.com

It's easy to get a listing in the Vendor Directory. Just complete and send the form below with your application and add just \$15 to your booth fees. That's only \$1.25 per month to advertise your business!
